Madam,

This has reference to your letter dated 5th July, 2011 seeking clarification on the parity of GCE 'O' and 'A' Level qualifications awarded by British Examining Bodies including Edexcel.

We would like to inform you that 5 (Five) passes at GCSE 'O' Level Examination/GCSE/OCE in Grade A, B & C and 2 (Two)/3 (Three) passes at GCE 'Advanced' level examination of the approved British Examining Bodies have been recognized by AIU as equivalent to +2 stage qualification of an Indian Board, which is the minimum eligibility requirement for admission to Bachelor's Degree programme at Indian Universities.

The candidate intending to pursue Professional Degree programmes are required to have studied the subjects of Physics, Chemistry, Biology/Mathematics and English.

However, keeping in mind that under the British system English is not compulsory to be taught at 'Advanced' Level. The appropriate Authorities of AIU in their Meeting held with regard to the subject of English took the following decision:

"5 (Five) passes at GCE 'O' level/GCSE/OCE and 2(Two)/3(Three) passes at GCE 'Advanced' level of the approved British Examining Bodies have been recognised by AIU as equivalent to +2 stage qualification of an Indian Board, giving access to the Bachelor's Degree programme at Indian Universities.

The candidate intending to join Medical/Engineering Degree programmes who have obtained at 'Advanced' Level passes in Physics, Chemistry, and Biology/Mathematics, plus AS Level English from British system will be eligible for admission to professional courses provided the candidates having passed 12 Year Senior secondary examination from an Indian Board with English as a subject are also exempted from appearing English Language Test seeking admission to higher courses at British Universities and/or employment."

AIU issues Equivalence Certificate in respect of those Candidates who have obtained these qualifications.

Thanking you,

Yours faithfully,
